Dear Madam

A week ago today I courtesy wrote you asking you as informing me if Clara Bartons name had been entered this year -

I had thought Mrs Roosevelt contemplated entering it but was not sure.

As time is very short please be so good as to reply

on receipt of this letter
and greatly favor
Yours with Esteem
(Dr.) P. H. Epler
Authorized Biographer
of Clara Barton
(Macmillan)

P.S.
Under my not retaining your
prized reply, save postage
sending Proposal Blank
But your kind letter
accompanying was misplaced
I read & lost your full name.
